USERNAME OR EMAIL ADDRESS

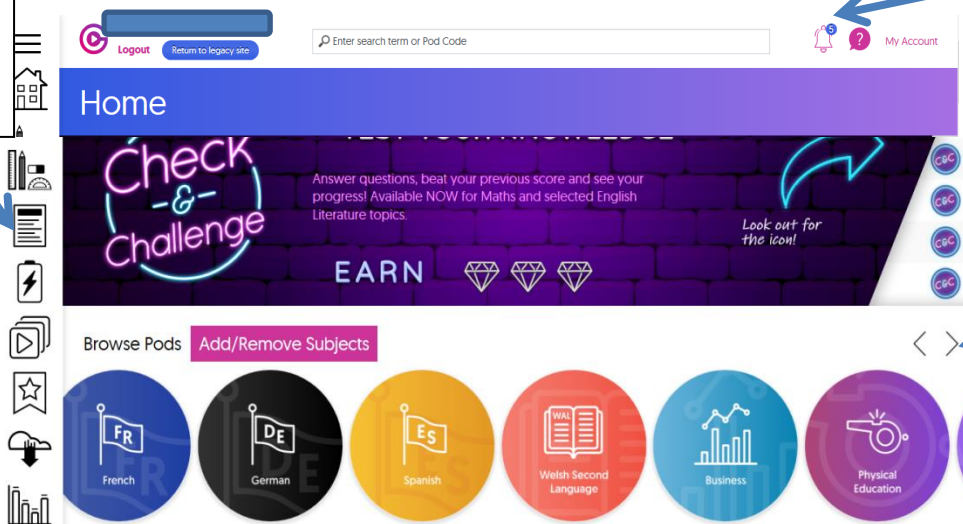

PASSWORD

LOGIN

Enter username, this is the same format as log in details to school systems e.g. *17Asurname* and password is *password123*

2. The homepage will look like this:

All assignments can be viewed through this tab

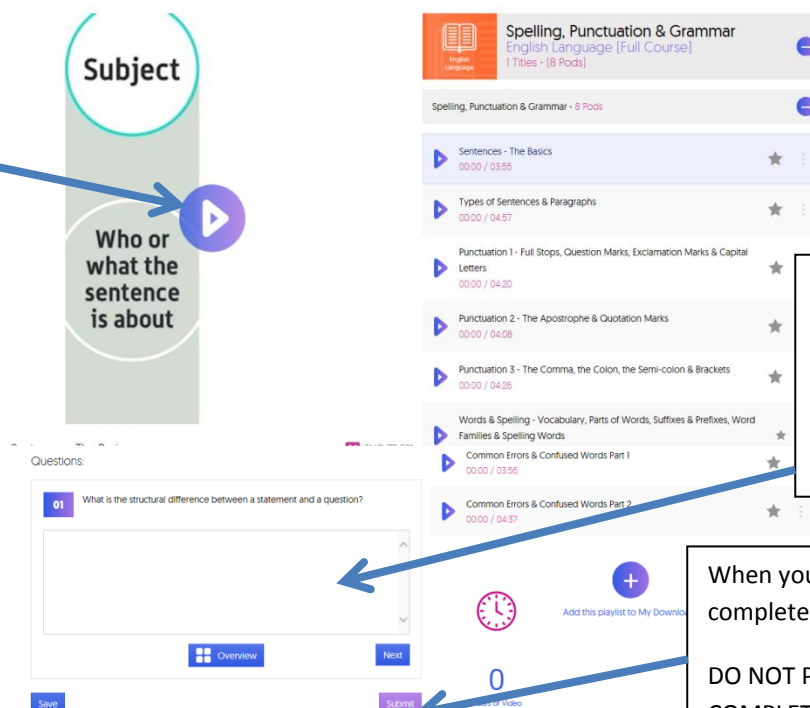

If you have an assignment due you will see the notification here

Use these arrows to scroll through the subjects available and click on an icon to view pods for that subject for independent study

3. Select an assignment to start

Press play to watch the first pod that you have been assigned.

Pause it as necessary and make notes as you watch

All pods that need to be watched for this assignment appear in this list.

Questions appear here. Press 'next' or 'previous' to move through them. You can also press 'overview' to see how many questions there are in total.

When you have watched all pods and completed all questions press 'submit'.
DO NOT PRESS THIS UNTIL YOU HAVE COMPLETED THE ASSIGNMENT.
